Motivated Research Assistant with proficiency in the disciplines of statistical analysis and Human Subjects Research. Determined to make real world contributions and apply experimental knowledge through the implementation of investigative skills. Ability to work hard while maintaining professionalism and responsibility. Eager to take on challenges with peers that share a similar goal.

## EXPERIENCE

**MARCH 2022 – PRESENT**

**RESEARCH ASSISTANT, CENTER FOR VITAL LONGEVITY**

- Managed all organizational aspects of The Midlife Brain & Environment Study such as phlebotomy appointments, MRI scheduling, room booking, and more
- Collected and managed study data including MRI results, survey responses, sensory/motor tests, cognitive tests, and clinical demographics
- Monitored adherence to ICH-GCP guidelines, SOP, and local IRB guidelines
- Monitored the study through data query using REDCap and validation of data to check for accuracy and integrity
- Recruitment of research participants via various methods such as social media, flyers, brochures, patient database, etc.

**APRIL 2021 – OCTOBER 2021**

**RESEARCH ASSISTANT, ROBOTICS LAB STUDY**

- Assisted in Dr. Julienne Greer's Robotics Study Lab exploring the use of robotics in a retirement home
- Piloted telepresence robot to lead elderly patients to testing area and explain experiment to participants
- Guided subjects through cognitive pretests and exercises lead by robot, incorporating prospective memory tasks within tests

**SEPTEMBER 2020– MARCH 2022**

**CLICKLIST ASSOCIATE, KROGER**

- Assisted customers in picking items for orders in an accurate and efficient manner
- Promoted customer friendliness and loyalty by delivering on excellent customer service and knowledgeable assistance
- Effectively processed transactions utilizing a mobile point of sale device to process coupons and void unwanted items
- Provided the most effective alternatives to customers' orders when wanted items were not in stock
- Worked closely with Clicklist supervisors and independently solved problems to handle customer concerns
- Provided backup to other departments in store when needed

**JANUARY 2021 – JULY 2021**

**RESEARCH ASSISTANT, ATTENTION AND MEMORY LAB**

- Actively participated in weekly meetings that discussed literature pertaining to the lab's topic of Prospective Memory
- Assisted in the filtering of numerous published and unpublished research papers for a Prospective Memory Meta-Analysis study
- Presented with video assignments to develop skill of using Python software PsychoPy

**FEBRUARY 2020 – SEPTEMBER 2020**

**WATER SAFETY, LIFETIME FITNESS**

- Catered to the individual needs of every club member
- Enforced rules of the pool and the club in a polite yet firm manner
- Maintained the cleanliness of the aquatics facility by performing daily chemical checks and hourly trash pickups
- As per Lifetime's Covid-19 policy, tables and chairs as well as any surface regularly touched was to be sprayed with a specific cleaning agent designed to kill disease-carrying viruses

**FEBRUARY 2020 – MAY 2020**

**RESEARCH ASSISTANT, ORGANZATIONAL & INDUSTRIAL PSYCHOLOGY LAB**

- Reviewed and implemented previous literature pertaining to topics being researched in lab
- Created and heat-mapped Facebook profiles for subjects to interact with in an online experiment
- Labeled and inputted variables into survey software Qualtrics for subjects to complete for study

**JANUARY 2020 – MAY 2020**

**RESEARCH ASSISTANT, BRAIN COGNITION LAB**

- Reviewed and presented literature on topics pertaining to experiments and surveys conducted by the lab
- Attended presentations by guests that conducted their own research
- Eventual presentation of lab findings at a renowned research conference

**AUGUST 2019 – FEBRUARY 2020**

**SERVER, CHILI'S**

- Created orders, documented special requests, and followed up with kitchen personnel to foster top-quality service and minimize complaints
- Worked with Point-of-Sale system to place orders and manage bills
- Collected credit card, cash, and gift certificate payments from customers and made proper change for cash transactions
- Stayed up to date on menu changes to offer current and accurate information, answer questions, and help customers select optimal meal choices based on individual preferences
- Used correct cleaning, sanitizing, and food handling procedures to maintain optimal protection for customers

**OCTOBER 2018 – AUGUST 2019**

**SERVER, BABE’S CHICKEN DINNER HOUSE**

- Served an average of 50 patrons daily at a family style restaurant with consistent recommendations for exceptional service
- Educated guests on daily specials and menu offerings such as appetizers, entrees, and desserts
- Communicated effectively with kitchen staff regarding customer allergies, dietary needs, and other special requests
- Operated POS terminals to input orders, split bills and calculate totals
- Maximized team performance by training new employees on proper food handling, guest expectations, and restaurant protocols

**MAY 2016-AUGUST 2018**

**WATER SAFETY, HAWAIIAN FALLS**

- Patrolled populated areas to identify anyone in need of assistance and provide immediate care
- Kept watch over swimmers to ensure fast response when distress situations arose
- Maintained strong proficiency in CPR, First Aid, and deep-water rescue techniques to provide optimal support to individuals in distress.
- Routinely completed safety update training and ensured all patrons followed safety rules
- Identified emergency situations including potential drownings and entered water within 10 seconds for lifesaving measures
